You may therefore feel assured that any plants you purchase from us will be fully up to your expectations and entirely satisfactory to your customers.

We have now secured additional acreage for growing grounds in our immediate vicinity which will result in a substantial increase in our Wholesale Stock to serve your complete requirements.

Where prices are marked with an asterisk (\*) the plants will be ready for **Fall** delivery. The others are ready **now**.

TERMS:—30 days.

2% for Cash on delivery.

Please fill in your requirements in the enclosed order form and return in the postage-free envelope.
